MEMORANDUM FOR: Intelligence Advisory Committee

SUBJECT : Utilization of [REDACTED] Reports

25X1A

1. In the light of the dissolution of the PARAMOUNT Committee and after careful review of handling procedures for [REDACTED] Reports, the Deputy Director of Central Intelligence, with the concurrence of the Chairman of the Utilization Advisory Board, has authorized the release of [REDACTED] Reports from the TALENT Control System under the following conditions:

25X1A

25X1A

a. [REDACTED] Reports may be seen by US Officials Only who possess a TOP SECRET clearance and have a need-to-know; and

b. If information from [REDACTED] Reports is used in maps, graphics, publications or briefings, no attribution will be made to source.

2. With the removal of [REDACTED] Reports from the TALENT Control System, it is now possible for the [REDACTED] to include [REDACTED] material in its all-source consideration of the Middle Eastern situation without further clearance of personnel into the TALENT System.

25X1A

25X1A

3. Within two hours after receipt of [REDACTED] Reports from the field, copies will have been delivered to requesting agencies from [REDACTED]. Although [REDACTED] field chiefs have been instructed to deal with operational matters in separate communications, provisions have been made for transmission in TALENT Control Channels of any information contained in [REDACTED] Reports which is deemed not releasable from TALENT Control. Sanitization recommendations will be simultaneously transmitted to the Utilization Advisory Board for approval.

25X1A

25X1A

4. I recommend that the Intelligence Advisory Committee approve the above-recited procedures for utilization of the [REDACTED] Reports.
